

BALENO

It's all about that fit

The Baleno has it all – as in everything you need to live life the way you want to. It's just right, like the perfect pair of jeans – and you'll know it as soon as you get in and push start.

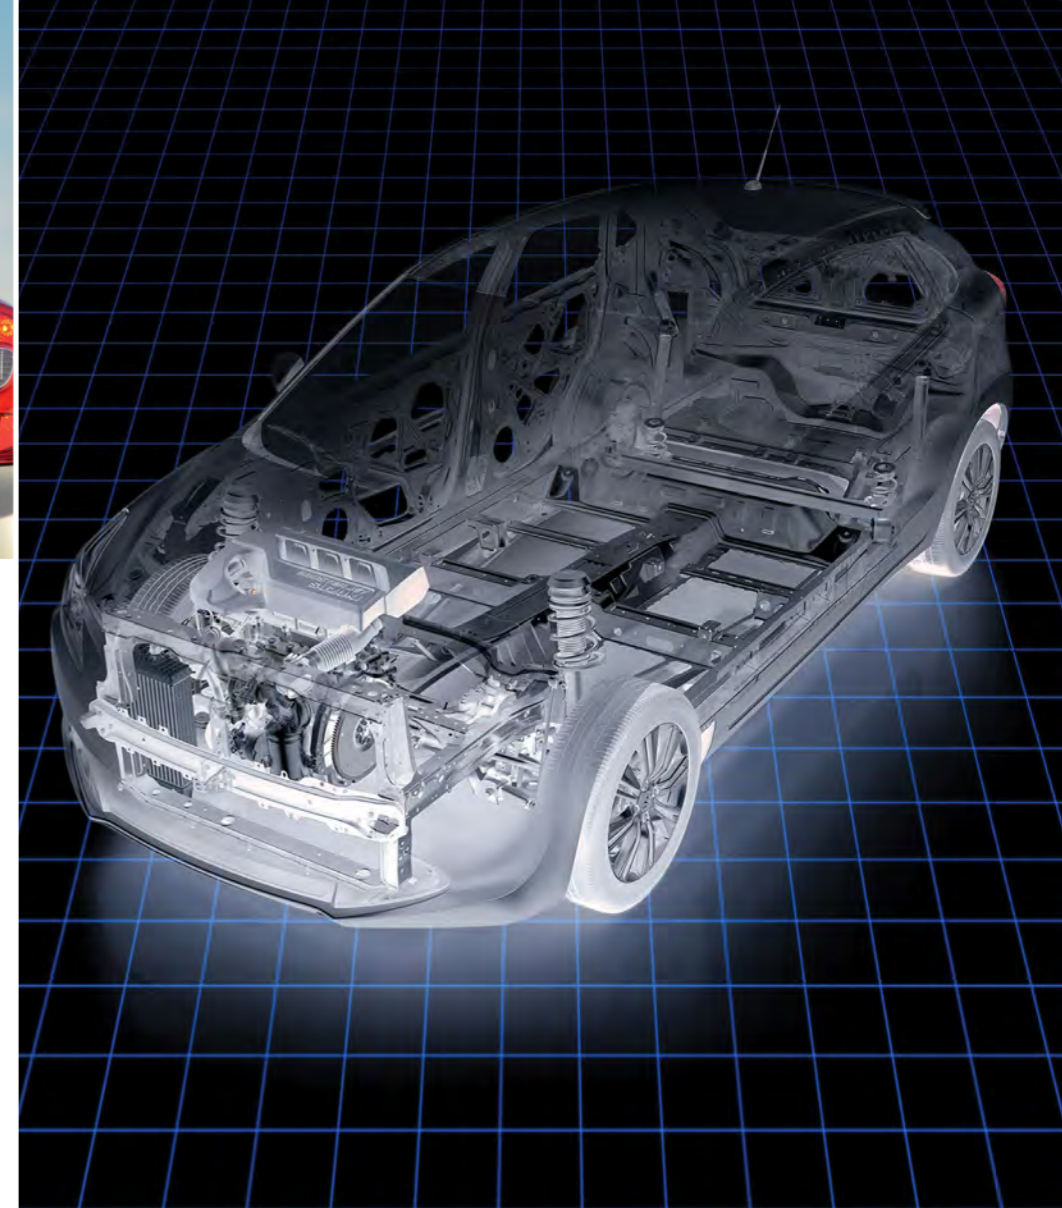

THE GOLDILOCKS PRINCIPLE

Like Goldilocks found her perfect fit when she fell asleep in the bed that wasn't too big, or too small, you'll fall in love with the car that suits your every need.

The new Baleno, created for you – it's all about that fit.

'BOUT THAT SPACE

With class-leading cabin space, the Baleno is a charismatic hatchback that gives you freedom to move your way. The generous luggage capacity and comfort of the interior create an environment that's hard to leave when you arrive at your destination. Why not spend a little *me time* in your car?

The Baleno has a low, wide design that gives you a sense of constant movement – even when you're standing still. The light and rigid new-generation platform combined with a strong and highly efficient powertrain, means nothing will hold you back ever again.

'Bout that look

WHEN YOU KNOW, YOU KNOW

The GLX interior comes with a host of driver-comforts and controls to make your drive feel exceptional.

- Displays traveling fuel-efficiency and average past fuel-efficiency.
- Displays power and torque in real time.
- Displays average vehicle speed and average past vehicle speed.
- Indicates proximity to objects when rear parking sensor is in operation.
- Displays driving time, driving distance from engine-on to engine-off, and distance to refuelling.

Keyless entry with push start lets you get in and get going on the fly – just another extraordinary feature that makes the Baleno GLX your perfect ride.

CLASSY AS CAN BE

The cabin carries through the wide and low design of the car's shapely exterior, giving an expansive and roomy interior. The instrument panel brings innovation to the smooth design, and accentuates the cockpit with easily-operated audio and air conditioning controls.

SLDA 7" INFOTAINMENT SYSTEM WITH SMARTPHONE CONNECTIVITY AND REAR-VIEW CAMERA

A 7-inch touchscreen display in the GLX enables intuitive operation of multimedia features including audio, hands-free phone, reverse camera and smartphone integration. Features can be selected from the four main operating modes – Listen, Call, Drive and Connect.

The Smartphone Linkage Display Audio works with Apple CarPlay, Android Auto™ and Mirrorlink™.* By connecting your compatible iPhone via USB, Apple CarPlay allows you to make phone calls, access your music, send and receive messages, and get directions all by voice command or a tap on the audio display.

Android Auto puts Google Maps™, Google™ Search and other Google services at the driver's fingertips in a non-distracting way. Mirrorlink™ lets various applications on your smartphone appear on the vehicle's touchscreen display, allowing you to access your smartphone's features.

YOUR TUNES, YOUR WAY

With the wide range of infotainment capabilities, you can choose any soundtrack, from any device, and make your playlist as versatile as your car.

WHY TRY TO BE PERFECT WHEN YOUR CAR'S GOT IT DOWN?

The Baleno GLX's unique circular A/C display with a high-contrast LCD panel increases visibility of the automatic air-condition system status. The GL grade comes with a manual air conditioner.

PUT YOUR LIFE ON CRUISE CONTROL

The cruise control system in the GLX model gives you a new level of convenience, especially when driving on highways. Set your speed, and keep moving effortlessly, efficiently, and with an attitude that says *can't touch this*.

SITS JUST RIGHT

With a body-length of only 3,995mm, the interior is incredibly spacious. The rear seats offer plenty of leg room and shoulder room, and even adults can ride comfortably in the back.

The best-in-class 355ℓ luggage storage capacity allows you to decide how far you will let your passion take you, and pack accordingly. With easy-to-use stowing compartments, comfort is something you can expect from the Baleno.

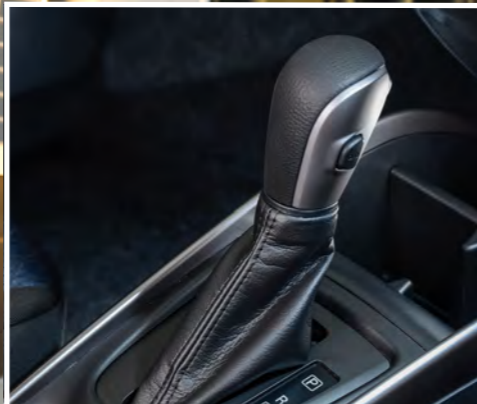

Intuitive Design

The Baleno's 1.4l engine is designed to maximise energy efficiency and increase running power. The intake VVT, cylinder head, and piston crowns are designed to keep your fuel economy at an optimum, enhanced and supported by a great aerodynamic body.

SMOOTH TRANSMISSION

The Baleno is available in a 5-speed manual transmission, with a smooth and precise shift feel and optimal gear ratios that benefit fuel-economy. A 4-speed automatic transmission is available for the GLX grade.

THE NEW-GENERATION HEARTECT® PLATFORM

The Baleno's platform is a prime example of evolution and innovation. The smooth and continuous curves of the framework disperse energy and increase rigidity. Weight is reduced, and unnecessary components are eliminated. Cruising, turning, and stopping are taken to the next level in a fundamental framework shift to smooth design.

RESILIENT SHAPE

The simplicity of the frame's smooth lines and reduced joint points have allowed the Baleno fewer reinforcements, resulting in lighter weight and dispersing collision energy efficiently.

STABLE HANDLING

The highly-tuned suspension enables you to take corners on the optimal line, and gives you full stability and road-hugging performance on straight roadways. This suspension system gives you a direct response, and superior handling.

HEARTECT

'Bout that safety

The preventative and collision safety features are designed to mitigate injury in case of an accident, and give you an added layer of safety on your drive. These features include ABS (Anti-Lock Braking System), and energy absorbing body, pedestrian protection and multiple airbags.

PEDESTRIAN PROTECTION

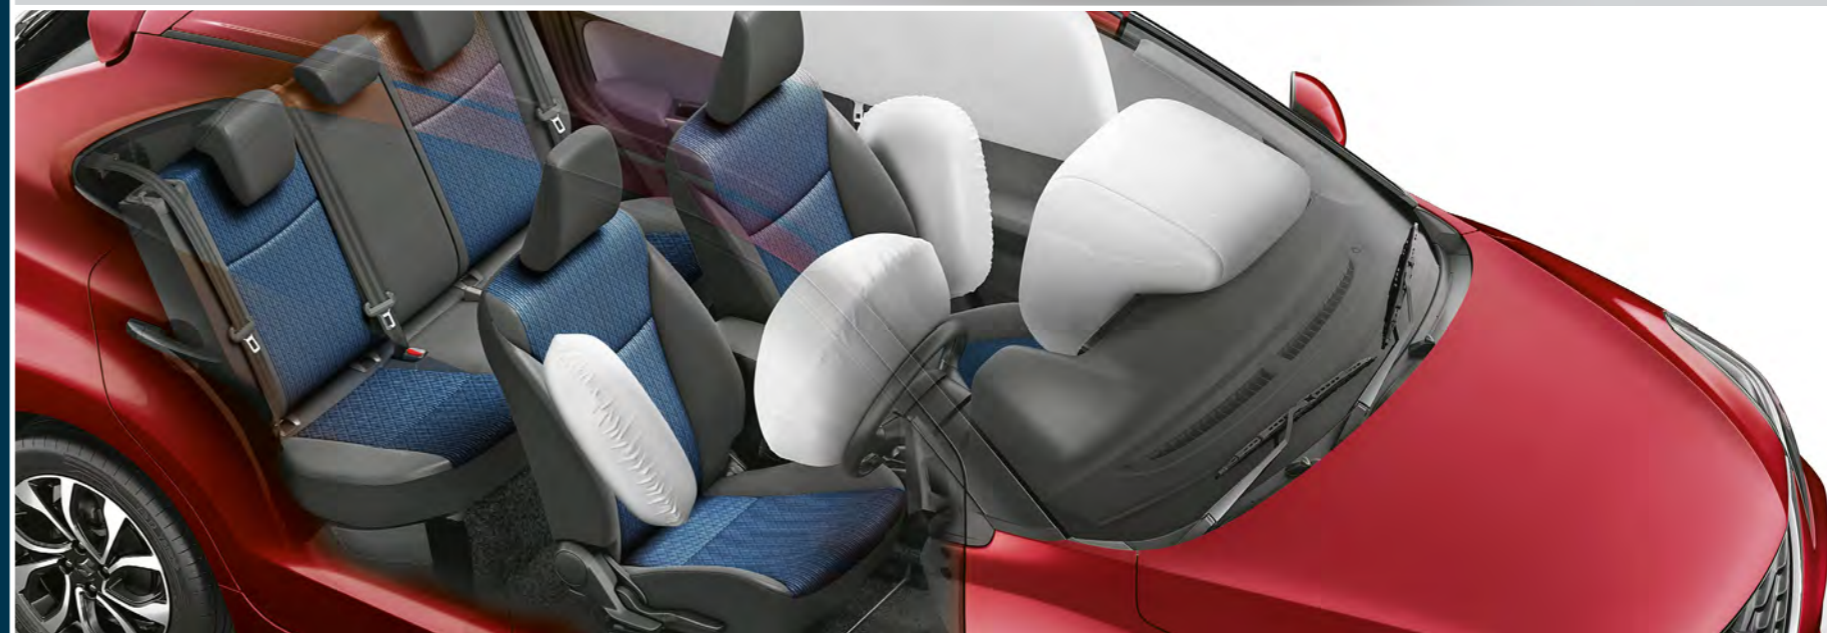

The bonnet panel, cowl top, wipers, and bumpers all contribute to this safety consideration.

ABS WITH EBD AND BRAKE ASSIST

The Anti-Lock Braking Systems keeps tyres from locking during a sudden, hard brake, and adds stability to evasive manoeuvres. With Electronic Brake Force Distribution (EBD) balancing out the front and rear wheels, your braking stability has never been better.

OCCUPANT PROTECTION

The Baleno includes the ISOFIX child seat restraint system that adheres to international standard. The cabin is also protected by a body structure that efficiently absorbs and disperses shocks from the front, side, and rear. The light, shock-absorbing TECT Body and Airbag System uses SRS airbags for the driver and passenger seats. The GLX grade adds SRS side airbags, and SRS curtain airbags to provide outstanding protection for vehicle occupants.

VIBE YOUR VIBE

The Baleno comes in six colours that highlight the flowing curves and exceptional design. **Choose yours:**

Arctic White Pearl (ZHI)

Premium Silver Metallic (ZXP)

Granite Grey Metallic (ZTN)

Magma Grey (Z7Q)

Stargaze Blue (ZYR)

Phoenix Red Pearl (ZZH)

PACKAGES

AERO DESIGN

Headwind? Tail wind? It's a breeze with the AERO. The spoiler design gives your Baleno a sporty air, and the AERO look brings out the Baleno's sleek and dynamic edge.

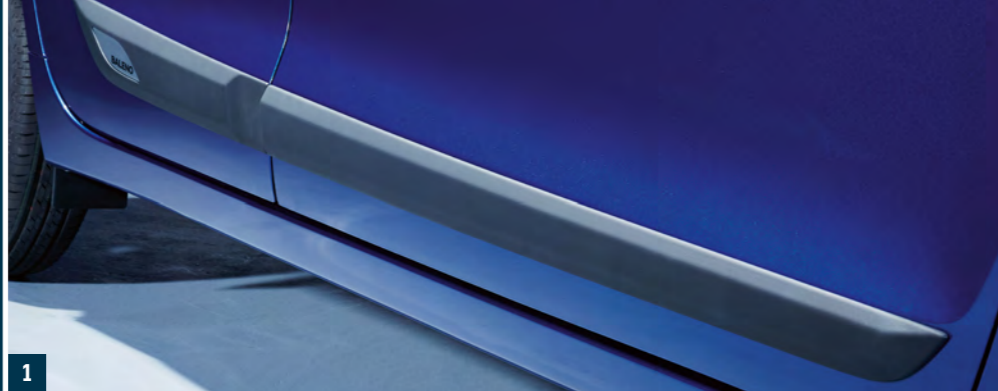

- 1 | **AERO Package**
Part No. 9900L-68P00-AER

The package includes:

- 2 | Front under spoiler Primed, can be painted in body colour (as shown) or in two-tone.
Part No. 990J0M68P07-070
- 3 | Rear under spoiler Primed, can be painted in body colour (as shown) or in two-tone.
Part No. 990J0M68P07-020
- 4 | Side under spoiler Primed, can be painted in body colour (as shown) or in two-tone.
Part No. 990J0M68P07-030

EXTERIOR

- 1 | **Side Body Moulding**
With silver BALENO logo badge,
paintable
Part No. 990E0-68P07-000

- 2 | **Bumper Corner Protection**
Set for front and rear, left and
right side, paintable
Part No. 990E0-68P06-000

- 3 | **Fender Extension & Side Skirt Set**^{2, 3, 4}
Complete set for one car covering
front and rear fenders including side
skirts, paintable
Part No. 990E0-68P08-000

¹ Not in combination with rear mud flaps flexible
Part No. 990E0-68P14-000, rear mud flaps rigid
Part No. 990J0M68P00-020.

² Not in combination with front under spoiler
Part No. 990J0M68P07-010, rear under spoiler
Part No. 990J0M68P07-020, side under spoiler
Part No. 990J0M68P07-030.

- 4 | **Door Handle Covers**
Chrome, set for all four door handles,
for cars without keyless go system
(with hole for keylock) for GA and
GL models, eight-piece set
Part No. 990E0-68P45-000

- 5 | **Rear Hatch Moulding**
Chrome design
Part No. 990E0-68P22-000

- 6 | **Fog Lamp Set**
Part No. 990E0-68P51-010

- 7 | **Front Fog Lamp Garnish**¹
Chrome
Part No. 990E0-68P10-000

- 8 | **Indicator Bulb Set**
Set of 2 bulbs 12V21W (PY21W) in
chrome design, almost invisible
when turned off
(without illustration)
Part No. 990E0-61M01-000

³ Not in combination with rear mud flaps flexible
Part No. 990E0-68P14-000, rear mud flaps rigid
Part No. 990J0M68P00-020.

⁴ Not in combination with front under spoiler
Part No. 990J0M68107-010, rear under spoiler
Part No. 990J0M68P07-020, side under spoiler
Part No. 990J0M68P07-030

PROTECTION

The Baleno is worth taking extra care of, not only because of value retention, but also because you want to keep it pristine and looking as good as the day you bought it. Our technology allows you to do just that.

**ESP is a registered trademark of Daimler AG.

The ESP is designed to help keep the vehicle under control. However, the degree of engine torque reduction, the wheels that brake and their braking force vary according to the driving conditions.

SUZUKI

COMPLETE

Suzuki understands that purchasing a new vehicle is a substantial investment. Our unwavering commitment to customer satisfaction is represented in our 'Suzuki Complete' package, which includes every aspect of after-sales support, with warranty, service plan, and roadside assistance standard.

Warranty

All Suzuki models are covered by a comprehensive manufacturer's warranty against any defects for a period of 5yr / 200 000 km. This is supported by a six year body corrosion warranty subject to terms and conditions.

Service Plan

The Suzuki Vitara Brezza benefits from a 4yr / 60 000km service plan. This plan includes the replacement of oil, the oil filter, fuel filter, brake fluid, air filter and accessory belts, but excludes tyres, brakes and other wear-and-tear items.

Service Intervals

15 000 km or one year, whichever comes first.

Roadside Assistance

Every new Vitara Brezza comes with a roadside assistance plan. Some of the benefits offered by this comprehensive package include: battery and locksmith call-out services, mechanical and electrical, breakdown towing (accident towing is optional), emergency medical rescue, vehicle repatriation and a stand-by-you roadside security armed-response service.

All care is taken to ensure the accuracy of this brochure at the time of print approval.
