## **NEW FEATURES**

Black Front Grille

Black Lower Front Bumper  
and Fog Light Bezel

Black Dynamic Shield Garnish

Black Lower Rear Bumper

Black Alloy Wheels

# GLOBAL STANDARD SAFETY

Live extra with no worries as the XPANDER is equipped with an array of safety features to protect you and your passengers.

## ACTIVE STABILITY CONTROL [ASC] (CROSS)

Engine output is adjusted and brakes are automatically applied to prevent wheels from skidding during adverse conditions or emergency maneuvers.

## ANTI-LOCK BRAKING SYSTEM [ABS]

Helps keep the driver in control of the vehicle when braking on slippery surfaces by preventing the wheels from locking up.

## EMERGENCY STOP SIGNAL SYSTEM [ESS]

When the driver brakes hard or activates the ABS, the hazard lamps automatically flash to help prevent a rear end collision.

## RISE [Reinforced Impact Safety Evolution] BODY

Minimizes cabin deformation while dispersing the force of a collision away from the cabin to effectively protect occupants.

## HILL START ASSIST [HSA] (CROSS)

Prevents the vehicle from rolling backwards when starting on a steep slope by automatically maintaining the brakes as the driver moves his foot to the accelerator.

# XPANDER

**NEW** Front Grille Design & LED Headlamps (GLS)

**NEW** 16" Two-Tone Alloy Wheel Design (GLS)

**NEW** Shark Fin Antenna
